Bottle Bag Drop Off

Nov 17, 2018

9:30 am – 1:00 pm

Beaumont Bottle Depot
(4903-51 street)

If you choose to collect bottles, Nov 17th is the day to drop off your 5 bags of bottles to the Beaumont Bottle Depot (4903-51 street).

Only the bags handed out by the Club will be accepted. All 5 bags must be full to complete your fundraising commitment. Half-filled bags do not fulfill your commitment. Families who do not fulfill their fundraising commitment will be invoiced \$100. If you opted to fundraise and you did not receive your bags, please [email](#) the Club.

Important: When you arrive at the depot, check in with a Club Executive and/or volunteer so your bottles can be accounted for.

If you cannot drop your bottles on Nov 17, you have three options:

1. Ask a friend or family member to drop them off for you.
2. Drop the bottles during our Winter Bottle Drop day on Mar 2, 2019
3. Keep the bottles and the Club will invoice you \$100.

Please [email](#) the Club with the option you choose.

Remember: Fundraising is once per skating season per family. If your child registers in the upcoming Winter session and you fulfilled your fundraising commitment in the Fall, then you do not have to fundraise (collect bottles) for the Winter session.

Email the Club with any questions you might have at beaumontskatingclub@outlook.com

ONLY THE BEST

can bring out their best

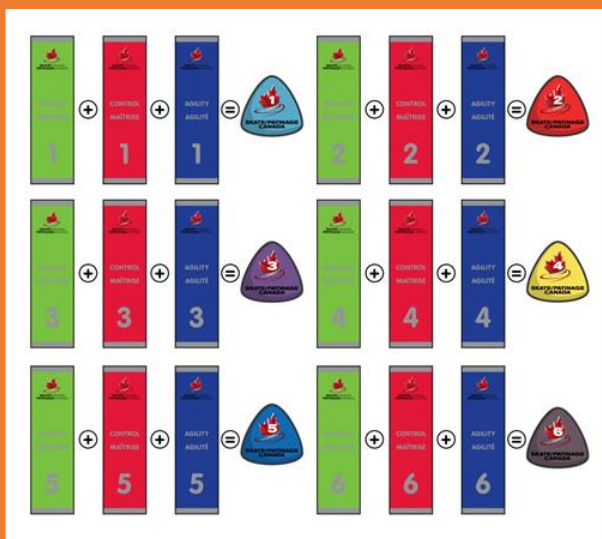

PreCAN & CANSkate CORNER

Skate Tags and Stages

The colored pipe cleaner tags placed on your skater's skates do not indicate their level or ability. The tags are used simply to group the skaters. Skating skills along with age are taken into consideration when creating the skater groups. Evaluations are done weekly so movement into another group may occur at any time.

Skaters in PreCanSkate will receive a ribbon once they have completed all of the skills in their level.

Skaters in CanSkate will receive a Stage Badge once they have achieved all three of the fundamental movements in their Stage. The fundamental movements are: Balance (green), Agility (blue) and Control (red). If only one or two fundamental movements are achieved, skaters will receive a ribbon.

A complete series of balance, control and agility skills are taught in six stages of learning that pertain to hockey, ringette, speed skating and figure skating as well as general recreational skating. Nationally-tested and proven curriculum and delivery methods that guarantee skater success in developing stronger basic skills and developing them faster.

Mid-Session Reports

Oct 30 and Nov 1

Before your PreCan or CanSkate lesson stop by the table in the lobby and pick up your skater's mid-session report card.

Halloween Skate

Oct 30 and Nov 1

Ready for some Halloween fun? Come to your lesson dressed in your Halloween costume. No masks, props or weapons (i.e. broomsticks, swords) will be allowed on the ice. Helmets must still be worn. Looking forward to a boo-tiful Halloween Skate!

Fall Extra Fundraising

[Extra fundraising](#) is optional and only available to IFS/Jr Prep/STARSkate. All profits fundraised by the family goes directly to your skater. These extra funds can help to offset the costs of coach fees, test fees and competition fees.

Our Fall Extra Fundraiser is Stawnichy's Sausage and much more. Fundraiser order forms and all monies are due October 19 or before.

Only cash or cheques made out to *Beaumont Skating Club* will be accepted. Hand in to Felice Gladue at the rink on Oct 15 and Oct 16 at 5:30 pm or [email](#) the Club for other arrangements.

I have been skating for 4 years.

My favorite skating memory is when I learned to do a sit spin and did it perfectly! Also, the year end pizza party where all the skaters' faces were on the cake.
