

BEAUMONT SKATING CLUB Fall Newsletter

Welcome and Welcome Back!

Welcome to all new and returning skaters (and parents/guardians)! It has been wonderful to see the enthusiasm as we return to our rinks at the BSRC and the KNRRC. We would also like to acknowledge the skaters who participated in the spring and summer sessions. You worked so hard and should be proud of everything you have achieved over these past few months!

PROGRAM ASSISTANT OF THE MONTH

We want to give a huge shout out to AYLIE DAHL to recognize her as our Program Assistant of the Month for September! This is Aylie's 3rd season as a PA with BSC and we are so lucky to have her! She knows skating is such a fun activity and does an amazing job getting new skaters interested and excited about learning more. Thank you for your dedication Aylie, we know the kids love having you on the ice with them!

COACH'S TIP

Always be on time and do a proper warm up for your session to avoid injuries and to improve your performance on the ice.
